

Hospitality 2014

Ushers: David Chadwick

- Enough ushers “abundance”
- Pre-warning regarding special collections would be helpful
- Doubts ushers could serve as “greeters” or assist with parking due to current mass overlaps

Hospitality: Linda Bednarski

- Needs more volunteers, same people always
- At times has been rejected with direct approach
- Should volunteers serve the food and function as greeters?
- Feels volunteers have difficulty being friendly and welcoming to those they don't know
- ? Letters to regulars regarding suggestions.

Servers of Arimethea: Ruth Mora

- Usually enough volunteers – could always use more
- Has two others who help make calls
- Overall going very well
- ? Announcement at mass and sign-up table in Festival room to solicit more volunteers
- No mention of clean-up concerns

New-comer dinner:

- Currently inactive (Was coordinated by the Erllys)

First Sunday Brunch: Larry Donnelly

- Going well
- 300-340 people per breakfast
- Makes \$500-\$700 per month which is returned to the Family Life Center
- “Good Crew”
- No specific needs

Welcoming Packet (new idea)

- Ask first time visitors to identify themselves and ushers would present welcoming packet including parish registration form, information about the parish and its activities, rosary and prayer cards.
