The Cursillo Discernment Workshops presented have been very well received and some very valuable information has been imparted to and from Cursillistas throughout the Archdiocese. As we have stated previously, these workshops were designed to ensure that all our brothers and sisters in Christ will be heard regarding what they think and feel what we can, as champions for Christ, do to define our communal issues more clearly and discuss solutions. For that we thank all of you that have participated either in person or through electronic media.

The discernment session scheduled in May 19, 2018, is being held at the **Holy Family Seminary, 401 Randolph Road, Silver Spring, MD 20904**. The agenda and discussions for this most important session will be to work through all we have learned thus far and begin the process of putting all of this information together. It is very important that each Ultreya have representation at this discernment session.

To help is with the final planning for this session, we are asking all who plan to attend to please complete the registration form below and email it back to Charles H. Smallwood, Treasurer, charles.smallwood@comcast.net by **Friday, May 4, 2018** as breakfast and lunch will be served for all participants. A small registration fee of \$15.00 will be collected on site to help defray the cost for this discernment session.

We look forward to seeing you there, so we can hear all the great concerns, thoughts and solutions you have that will help us really move our Cursillo Movement forward.
